

**The XL Center proudly supports the local community and its schools, organizations, non-profits, and youth leagues. Bring your group out for a night of fun and fundraising!**

**How it works:**

- Benefits include: No financial commitment! You create the price up to face value, and keep all the profit for your group! No online fees and a fun outing for all; while raising money at the same time!
- Contact your Group Events Representative to discuss which event works best for you
- You will get the tickets at a special discounted rate and you are able to sell the tickets up to face value and keep the profits for your group!
- Create an order form to track your requests
- After you secure an event, promote it to your group, friends, family, and supporters
- Set a deadline (suggested deadline is 2 weeks from the event)
- Communicate with your Group Sales Representative if you need to increase or decrease the number of tickets you have reserved
- Collect payment from your group and submit payment to your representative for the amount of tickets sold
- We accept cash, checks payable to 'XL CENTER', and all major credit cards
- Please send cash or checks 10+ days in advance of show
- Please allow up to 48 hours for ticket processing upon receipt of full payment
- *REMINDER:* We are not in charge of separating tickets based on internal groups; that will be the responsibility of the organization. Put seating location assignment on the order form or use the tracker provided in the packet. In the event a person in your group loses their tickets you can request a reprint for the exact seat location needed
